

Loyal Love (D)

[Verse 1]

G **D**
If I forget the prize I'm running after
A
If I let my past into my future

Won't You come and show me who I am
A
And who You are, who You are

[Verse 2]

If I get lost, I'm never too far gone
You leave the rest, to go after the one
And won't You come and show me who I am
And who You, who You are

[Chorus]

Em **G** **D**
Your loyal love, leads me to repentance
A
Reminds me when my name is
Em **G** **D**
Your loyal love, the fortress that I run to

An endless search and rescue
Em
And I'm coming back to my senses
G **Bm** **A**
Back to your presence, and Your loyal love
Em
And I'm coming back to my senses
G **Bm** **A**
Back to Your presence, and Your loyal love
